Opportunities for Public Comment

The GSP Subcommittee of the TPSC invites comments in support of or in opposition to any petition that have been accepted for review. Submissions should comply with 15 CFR Part 2007, except as modified below.

Requirements for Submission

In order to facilitate prompt processing of submissions, USTR will accept only electronic e-mail submissions in response to this notice. Hand-delivered submissions will not be accepted. These submissions should be single-copy transmissions in English with the total submission not to exceed

20 single-spaced standard letter-size pages. E-mail submissions should use the following subject line: "2005 GSP Annual Country Practice Review" followed by the subject country, case number, and, as appropriate "Written Comments", "Notice of Intent to Testify", "Pre-hearing brief", or "Post-hearing brief". Documents must be submitted in English in one of the following formats: MSWord (.DOC), WordPerfect (.WPD), or text (.TXT) files. Documents may not be submitted as electronic image files or contain imbedded images (for example, ".JPG", ".TIF", ".PDF", ".BMP", or ".GIF"). Supporting documentation submitted as spreadsheets are acceptable as Excel files, formatted for printing on 8½ x 11 inch paper. Any data attachments to the submission must be included in the same file as the submission itself, and not as separate files.

If the submission contains business confidential information, a non-confidential version of the submission must also be submitted that indicates where confidential information was redacted by inserting asterisks where material was deleted. In addition, the confidential submission must be clearly marked "BUSINESS CONFIDENTIAL" at the top and bottom of each page of the document. The non-confidential version must also be clearly marked at the top and bottom of each page (either "PUBLIC VERSION" or "NON-CONFIDENTIAL"). Documents that are submitted without any marking might not be accepted or will be considered public documents.

For any document containing business confidential information submitted as an electronic attached file to an e-mail transmission, the file name of the business confidential version should begin with the characters "BC-", and the file name of the public version should begin with the characters "P-". The "P" or "BC" should be followed by the name of the party (government, company, union, association, etc.) which is making the submission.

E-mail submissions should not include separate cover letters or messages in the message area of the e-mail; information that might appear in any cover letter should be included directly in the attached file containing the submission itself, including the sender's e-mail address and other identifying information. The e-mail address for these submissions is *FR0441@USTR.GOV*. Documents not submitted in accordance with these instructions might not be considered in this review. If unable to provide submissions by e-mail, please contact the GSP Subcommittee of the TPSC to

arrange for an alternative method of transmission.

Public versions of all documents relating to this review will be available for review approximately two weeks after the relevant due date by appointment in the USTR public

BILLING CODE 3901-W5-C

OFFICE OF THE UNITED STATES TRADE REPRESENTATIVE

Identification of Countries Under Section 182 of the Trade Act of 1974: Request for Public Comment

AGENCY: Office of the United States Trade Representative.

ACTION: Request for written submissions from the public.

SUMMARY: Section 182 of the Trade Act of 1974 (Trade Act) (19 U.S.C. 2242), requires the United States Trade Representative (USTR) to identify countries that deny adequate and effective protection of intellectual property rights or deny fair and equitable market access to U.S. persons who rely on intellectual property protection. Section 182 is commonly referred to as the "Special 301" provision of the Trade Act. In addition,

USTR is required to determine which of those countries should be identified as Priority Foreign Countries. On April 30, 2005, USTR announced the results of the 2005 Special 301 review and stated that Out-of-Cycle Reviews (OCRs) would be conducted for Ukraine and Saudi Arabia. USTR will conduct these OCRs in the fall of 2005. USTR requests written comments from the public concerning the acts, policies, and practices relevant for this review under Section 182 of the Trade Act.

DATES: Submissions must be received on or before 5 p.m. on Friday, October 14, 2005.

ADDRESSES: Comments should be addressed to Sybia Harrison, Special Assistant to the Section 301 Committee, and sent (i) electronically, to FR0526@ustr.gov, with "Special 301 Out-of-Cycle Review: Ukraine and Saudi Arabia" in the subject line, or (ii) by fax, to (202) 395-9458, with a confirmation copy sent electronically to the e-mail address above.

FOR FURTHER INFORMATION CONTACT:

Jennifer Choe Groves, Director for Intellectual Property and Chair of the Special 301 Committee, Office of the United States Trade Representative, (202) 395-4510.

SUPPLEMENTARY INFORMATION: Pursuant to Section 182 of the Trade Act, USTR must identify those countries that deny adequate and effective protection for intellectual property rights or deny fair and equitable market access to U.S. persons who rely on intellectual property protection. Those countries that have the most onerous or egregious acts, policies, or practices and whose acts, policies, or practices have the greatest adverse impact (actual or potential) on relevant U.S. products may be identified as Priority Foreign Countries. Acts, policies, or practices that are the basis of a country's designation as a Priority Foreign Country are normally the subject of an investigation under the Section 301 provisions of the Trade Act.
